SUPPLEMENTAL PAY SCHEDULE

According to the compensation schedule adopted by the Board, the District has established supplemental pay for additional assignments, as provided below.

Insofar as possible, additional assignments paid by stipend will be given to employees who are exempt under the Fair Labor Standards Act (FLSA). If a nonexempt employee is offered an additional assignment with a stipend, the stipend will be converted to the appropriate hourly wage and all hours worked in the assignment must be documented. [See policies at DEAA and DEAB]
