Del Rio High School Class of 2016 Valedictorian Louis Cadena

With a GPA of 5.133. He is the son of Dr. Antonio and Veronica Cadena. He will be attending Texas A&M University. Total scholarship: \$43,780. He plans on majoring in Biology. With this major he plans to gain acceptance to medical school and study to become a cardiovascular surgeon. He has obtained 40 college hours. He has taken 14 AP courses. He was awarded Individual UIL Science District Champion, 2-time Individual UIL Science Regional qualifier, 2nd place district team in UIL science and 2nd place in UIL number sense. Also awarded district champion in Varsity golf and regional qualifier in varsity golf. He was awarded the national merit scholar, national

Hispanic recognition scholar, AP scholar with distinction, 4th place in FBLA state competition in economics, 4th place in FBLA state competition in business calculations, 1st place in FBLA area competition in economics, FBLA national qualifier, 3rd place Alamo regional science fair in medicine and health, 1st place in FBLA area competition in business calculations. He was president of national honor society, member of national technical honor society, vice president of future business leaders of America, student council, varsity golf, UIL academics, competing and captain in math, science, number sense, and calculator applications, and participated in science fair. His favorite high school memory was winning the district championship in varsity golf and being recognized as a national merit scholar. He would like to thank his parents for always supporting him in all of his endeavors, for guiding him in the right direction, for making sacrifices to give him the opportunities he has today, and for their endless love. His favorite inspirational quote is "Go confidently in the direction of your dreams. Live the life you have imagined"

Del Rio High School Class of 2016 Salutatorian Anissa Wittwer

With a GPA of 4.764. She is the daughter of Brian and Rosalinda Wittwer. She will be attending Texas A&M University. Total scholarship: \$11,850. She plans on majoring in Biomedical engineering. With this major she plans to develop new and improved medical technologies and methods for hospitals and/or doctors. Her ultimate goal is to create a fully functional prosthetic limbs for animals. She has obtained 15 college hours. She has taken 9 AP courses. She was awarded All district all academic 2012-2016, second team all-district first base, second team all-district third base, all team MVP, Career technical education student of the year for

science, technology, engineering, and math. Super science students for PreAP Chemistry. She was a member of the National Honor society, National Technical honor society, FRC team 4063 TrikiR4kidz robotics, Varsity softball and Future business leaders of America. She was the treasure of the Robotics Team. Her favorite high school memory was as a senior softball player and a team captain, making it to the playoffs and having a great season that will establish a tradition for the girls coming up. She would like to thank her parents for the endless support and love throughout the years, especially in times of stress, the advice they've given her, and the strength to overcome any adversity. Her favorite quote is "Failure will never overtake me if my determination to succeed is strong enough."

Career and Technology
Career and technical programs are dedicated to preparing young people to manage the dual roles of family member and wage earner. Career and technical programs enable students to gain entry-level employment in a high-skill, high-wage job and/or to continue their education.
