

“New” Parent Access for Canvas Platform

Parents can monitor their secondary students grades and assignments using the Canvas Observer Account.

Step 1: Contact your student’s school to get your “Pairing Code”. This code is necessary for you to complete the account set-up. You will need a separate pairing code for each student that you have in grades 6th – 12th. **See the contact list below for your school.**

Step 2: Using Chrome as your browser create your Canvas Account by going to the SFDR CISD Webpage <https://www.sfdr-cisd.org/> . Under the Parent tab, click on the Canvas Login and use the “new account” link at the top right of the pop-up window, or go to <https://sfdr.instructure.com/login/canvas>. Fill in all the required fields. #1-8. You will need to create a password and confirm.

Step 3: After you click **Start Participating**; you will see your Dashboard. Click on **Observing** to see your student’s name.

Step 4: You can more students to your Account by clicking on **Observing**.

Step 5: Enter **Student Pairing Code** and click **+ Student**. The new name will appear in the list of students being observed. Click on the name of the student you want observe.
