K-1 Foundational Literacy Solution

Edmentum's Reading Eggs is designed to build and reinforce literacy skills in an interactive online world that inspires learning.

- Built on the five essential pillars of reading
- Individualized learning paths build skills incrementally
- Extensive collection of over 2,000 e-books
- Teacher resources support flexible program use
- Reporting dashboard measures student progress and report Lexile® gains

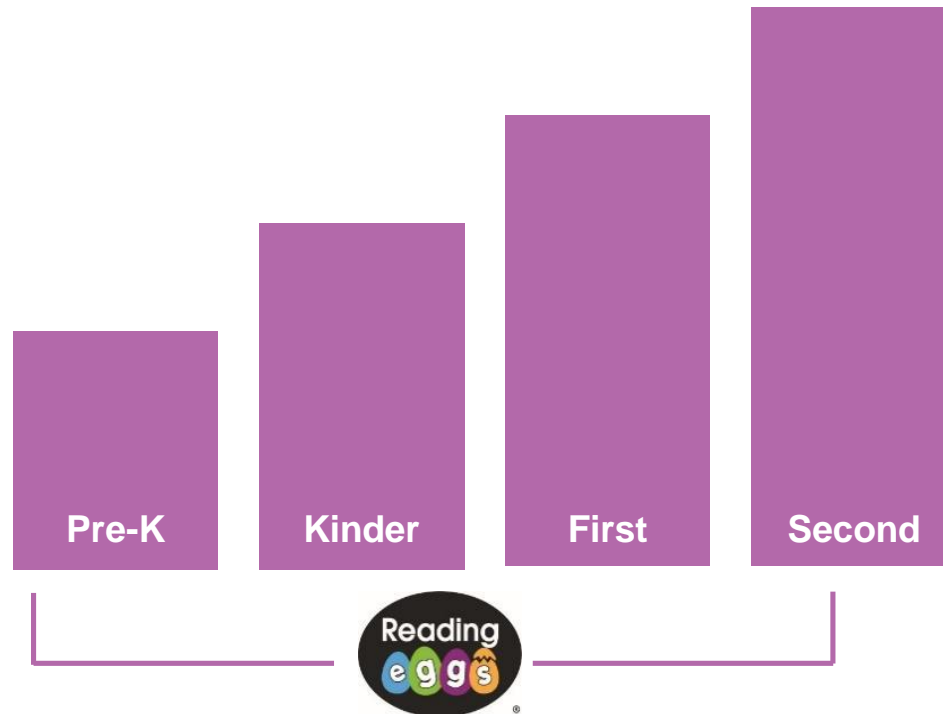

Dynamic, 2-in-1 Literacy Solution

Reading Eggs

Begins at an absolute emergent level, focusing on letter sounds, phonics skills, sight words, reading simple sentences, and introductory comprehension skills.

Motivation

- Golden Eggs
 - Completing each Stepping Stones reading lesson
 - Spelling lessons
 - Puzzle Park literacy puzzles
- Certificates
 - Upon completion of each lesson map

The Student Experience

- Placement Test –
- Stepping Stones Reading Lessons
- Skills Bank Spelling Lessons
- Driving Tests and Puzzle Park
- My House and Reggie's Shop

Next Steps

- Create your class
- Administer Placement Test
- Start students on their learning path
- Monitor progress with Student Stats
- Utilize Teacher Resources
